# The Inside Story of Litter and Waste Management

- Who's he ?
- What does he know anyway?

# **History of Waste Management**

- 1850's – Sir Edwin Chadwick
- Public Health (S) Act 1897

# History of Waste Management

- Scavenging districts
- Local authority duties
- all about Street Sweeping
- Litter a 'new' concept post WW2

# History of Waste Management

- Increase in litter and littering –
- Decrease in budgets
- Priority given to litter to detriment of street sweeping
- COPLAR (Code of Practice on Litter and Refuse)

# History of Waste Management

- Accumulations of detritus and weeds
- Road gullies fill faster – localised flooding
- Pedestrian slip hazard
- RTA (Road Traffic Accident) hazard
- streets with no litter can still appear grubby
- If the Council do not care – why should I ?

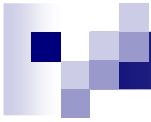

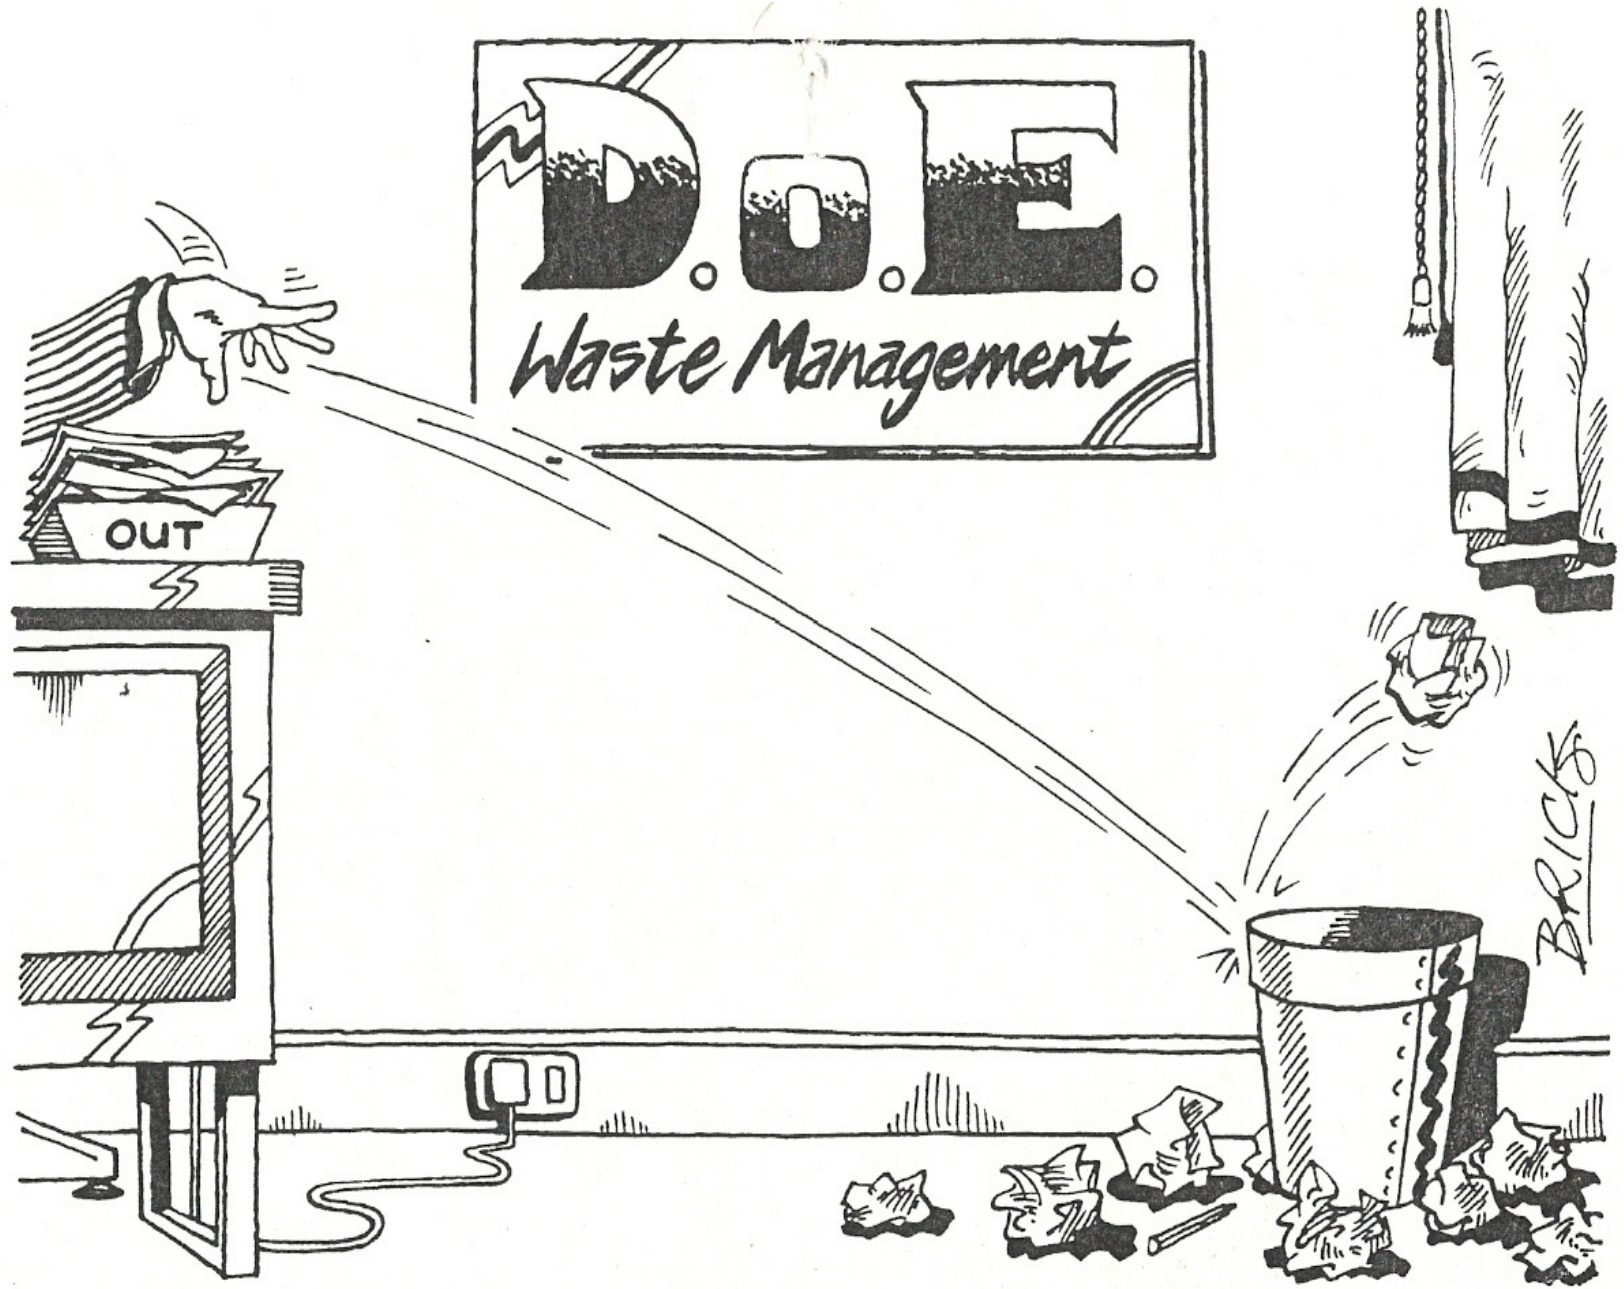

## **The Inside Story of Litter and Waste Management**

- In highlighting the single issue of Litter –

are we contributing to the deterioration of standards of street cleansing?

So ....What am I doing about it ?

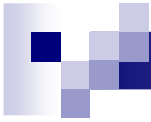

"No! - I CAN'T BE BOTHERED TO SEE ANY  
CRAZY SALESMAN - WE'VE GOT A BATTLE  
TO FIGHT!"

I CAN PUT UP  
WITH THE RATS-  
BUT NOT WITH  
YOU READING  
THE MAIL!
